

Muhammad Awais

Naushahro Feroze, Sindh | +92 3158093546 | muhamadawais.bsclf22@iba-suk.edu.pk

Summary

Final-year BSCS Student at Sukkur IBA university with a strong foundation in Artificial Intelligence and Machine learning, specializing in designing and training models. Seeking to apply technical skills in AI/ML development, research, or data-driven problem-solving roles. Passionate about leveraging cutting-edge technologies to innovate and contribute to impactful projects in the field.

Education

Sukkur Institute of Business Administration Sukkur, Sindh	2021-2026
Bachelor of Science Computer Science	CGPA: 3.10
IBA Community College Naushahro Feroze, Sindh	2018-2020
DAE in Computer Information Technology	Grade: A

Experience

Sukkur Institute of Business Administration, Sukkur	20 March 2025 to 12 April 2025
--	--------------------------------

Semester Project

- **Developed a Crypto and stock market price prediction**, system using LSTM, Random Forest, and SVM, integrating advanced time-series analysis. Delivered high-accuracy forecasts with insightful visualizations to support smart investment decisions.
- **Designed and implemented a Bilingual Urdu Transcription & Translation System during a Summer Internship** for proceedings of the **National Assembly of Pakistan**, enabling real-time **speech-to-text transcription in Urdu and translation into English using NLP and deep learning techniques**. The system improved accessibility, transparency, and comprehension of parliamentary sessions.

Sukkur IBA University

April 2025

WORKSHOPS & WEBINARS

- **WordPress Development Workshop** Attended a hands-on workshop focused on building and managing websites using WordPress, enhancing practical web development skills.
- **Foreign Scholarships Awareness Session – Online** participated in an informative session exploring global MS scholarship opportunities, application strategies, and academic pathways.
